

✓ Structured medication reviews

✓ Reducing over-prescribing and improving medicines safety

✓ Higher quality asthma prescribing and reducing the inhaler carbon footprint

**PrescQIPP**  
Funded by the NHS for the NHS

## Are you a GP, practice/PCN pharmacist or pharmacy technician looking for free support to deliver your key priorities?

Your Integrated Care Board already subscribes to PrescQIPP, which means you can access a vast range of evidence-based, quality assured resources **absolutely free**, including succinct clinical guidance and tools on national and local priorities.

You can also sign up to free monthly, virtual professional group training webinars, led by an experienced PCN pharmacist, and network with colleagues via the online chat forum.
