

Stakeholder expression of interest form 2020/21

Organisation		Primary contact email	
---------------------	--	------------------------------	--

By completing and returning this form I consent to PrescQIPP contacting me in relation to stakeholder consultations and understand that PrescQIPP may share stakeholder responses* publicly or with relevant third parties as part of the stakeholder consultation process.

*This will not include commercially sensitive information or personal details.

Select the work plan items of interest to your organisation

- Use the tick boxes to select the items you would like to view drafts for. The items must be relevant to your organisation.
- You will be sent an alert when the item goes to peer review and one week prior to the drafts being sent for comment.
- Please note that we have a slot reserved for National work and that this work plan may be subject to change. You will be alerted if there are any changes to the work plan.
